

## Annual Report 2014-15

The academic year began from 09/06/2014. As usual, admissions of classes SY and TY were carried out from 10 May onwards. FY admissions started in June and lasted until the end of August. Lectures and Practicals started regularly from 15 June.

**Academics:** Academic calendar was prepared and implemented from the beginning of the academic year. All results were better than last year.

Organized field studies, excursions, and educational visits were organized.

Academic and Environment audit was carried out. This year we organized three national level and one state level conferences. There was a good response and intellectuals from various colleges participated in the conferences. Many papers were presented in these conferences. More than 50 research papers presented in International, National and State level conferences by our teachers.

A Training programme for high school Science Teachers in Thane region was organized for their enrichment. About 100 teachers were present. Two teachers received travel grant from UGC for their travel to present papers abroad in conferences. Research work of teachers was promoted by allowing teachers to apply for study leave. Four teachers got leave under UGC's FIP scheme and other three teachers given study leave by the management.

The teachers of Computer Department designed a software for feedback and its analysis. It was found quite suitable.

This year we got permission from the University of Mumbai to start research centre in Chemistry and Commerce.

To make teachers more aware of health for their profession two lectures one on "Beauty and sleep" by Dr. Prasad Karnik from International Institute of Sleep Study

and the other on "Aple Arogya Aplya Hati" by Dr. Vinayak Paranjpe through Kirtan on Nisargopacahar were organized.

**Activities:** Yoga workshop by Mr. S.V. Halbandge for learners and Yoga workshop on stress management and concentration for students by Prof. Mrs. Ragini Gole were conducted.

G.K.Phanse Marathi Elocution competition and S.V.Kulkarni English elocution competition conducted with good response.

In S.V. Kulkarni memorial Lecture Series, we were privileged to have Dr. Vikas Amte as a speaker.

Cultural fest Utopia and annual sports events organized and conducted with full enthusiasm of students and teachers as well.

The students of NSS carried out many activities such as tree plantation, blood donation camp, and aids awareness throughout the year.

Book exhibition was organized by Library. The department of Physics as an exhibition organized demonstrations of some experiments. The department of Chemistry also arranged such exhibitions.

**Plans for the next year:** Renovation of administrative office will be undertaken.

Computerized admission process is planned to get data of the students as and when required and to ease out admission process. Students will be encouraged to take part in Youth festival, INT competitions and Avishkar Research Convention. MoUs with industries will be aimed for collaborative work in the interest of the students.
