Activity : SESSION FOR CAREER GUIDANCE IN MBA

On 23rd of February, 2023, Department of Accounting and Finance of Satish Pradhan Dnyanasadhana College organised a Session of Career Guidance in MBA for FYBAF, SYBAF and TYBAF.

At 9:00AM, in Room No 606, the session started where Mr. Niketan Taware was present to guide the students related to opportunities that is available in MBA. He provided guidance on when to give MBA CET exam, the students who are not able to pay the huge fees of MBA or due to caste issues like Open Category one, what can they do (loan for students are available) a brief idea about all these was given by him. He also spoke about the sponsorship that is given to our BAF students for internship in his Brightwayz classes and it was happy to know that many students were interested in it and had given their names for it. Later, he told us that a workshop on this will be conducted where there will be five stages in which they will teach us how to make an effective Resume, Group Discussion practice, preparing for interviews, use of Prezi & PowToon and then preparation for MBA will be taught with that they will teach us small technique's that can be used for calculation during MBA CET. Also, he created a WhatsApp group in which all students are there and, in that group, MBA related messages will be posted.

In this way, how it is important to prepare for MBA from now onwards made us think about it. His guidance and suggestions made the students feel motivated to pursue MBA
