### Industrial Visit

#### S.Y.B.sc

An industrial visit to Prashant food factory had been organised for Sybsc students on 10th February 2023 at 12 noon. The visit aimed to create awareness amongst students regarding different instrumentations and techniques involved in food production.

A total of 34 students along with two teachers Farahat Khan and Sayali Kamble visited the factory. The visit was scheduled where in each process of preparation of mithai and snacks were unfolded. The raw material like milk and sugar syrup were analysed for the quality and adulteration with specific instrumentation. Each material used the factory had undergone lab testing before heading to kitchen. The sop of each snack and mithai preparation was followed day in and out, there by maintaining the same taste. The final product was also checked for its quality with proper instrumentation.

Students gained familiarity with different instruments like moisture detecting, rantacidity of oil , das metal detector

During the visit students relished the snacks and mithai of the factory.

Indeed, it was an experience one of its kind.
