Student Activity Centre of Satish Pradhan Dnyanasadhana College had organized one Days workshop on DOT PAINTING.

Dot art is a style of painting created by the dotting of paint, rather than brush strokes. The dots are traditionally applied with a stick, but various instruments can be used to create this form of art. This technique crafts an image that seems to leap off the page and come to life, forming an optical illusion. Artists have adapted their own signature styles, ranging from the traditional form of individual dots through to connecting dots for a dabbed effect. Yet the same principles of dot art apply. There can be lots of products which can have Dot Painting done on it like Jewelry box, Canvas, Gift Box etc. Which can be sold in markets and online or in social media apps.

Resource person for the same was Mrs Urvi Dedhia an Artist. The idea behind this workshop was to guide students on:

1. How to be creative with the art of DOT PAINTING
2. Inculcate Entrepreneurial Skills.
3. Make them creative with various creative workshops.
