ABOUT THE WORKSHOP

Research is a systematic and a purposeful investigation to find explanation to unexplained phenomenon. A Six Days Workshop on Research Methodology in association with ICSSR typically delves into sophisticated techniques and strategies used in academic and scientific research. Participants often explore advanced statistical analysis, experimental design, qualitative research methods, and literature review techniques. The workshop aims to enhance participants' skills in conducting rigorous and impactful research, catering to all the academicians, working people, Research Scholars and Students.

OBJECTIVES OF THE WORKSHOP

- To extend the knowledge of research among academicians, students and research scholars.
- To identify various areas in which research can be undertaken.
- To construct various ideas to make students indulge in various experiential research activities.
- To make aware the participants about latest trends in discipline specific research.

Report on Six Days Research Methodology Workshop: Anveshan

Internal Quality Assurance Cell & Research Promotion Cell (SFC) of Satish Pradhan Dnyanasadhana College, Thane in association with ICSSR had organised Days Research methodology Workshop: Anveshan from 4th March 2024 to 9th March 2024. The workshop was open for all the academicians, research scholars, PG students from all over India. Workshop had 714 participants from more than 50 colleges not only from Maharashtra but other states of the country like Chattisgarh, Haryana, Bihar, Vellore, Gujarat, Uttar Pradesh etc.

Research is a systematic and a purposeful investigation to find explanation to unexplained phenomenon. A Six Days Workshop on Research Methodology in association with ICSSR typically delivered sophisticated techniques and strategies used in academic and scientific research. The workshop aimed to enhance participants' skills in conducting rigorous and impactful research, catering to all the academicians, working people, Research Scholars and Students.

Day 1:

Date: 04/03/2024

Resource Persons:

- Dr Sasikumar Menon - Director, Institute for Advanced Training and Research in Interdisciplinary Sciences, Sion, Mumbai -
- Dr Shraddha Bhome - Principal, J. K. College of Science and Commerce, Ghansoli –

Topics Covered:

- Joy of Research
- Basics of Research and Types of Research
- Review of literature
- Statement of Problem
- Framing of Research Questions

The Seminar started with an Inauguration and the Guest for the same was Mr Sasikumar Menon. He commenced with an exploration of the joy of research, highlighting the inherent curiosity and excitement in pursuing scholarly inquiries. He also showed a path to cultivate a passion for research and its significance in advancing knowledge.

The Topic for Day 1 was started by Dr Shraddha Bhome she explained what Basics of Research and Types of Research are. She delved into the fundamental principles of research, various types of research designs. Participants gained insights into quantitative, qualitative, and mixed methods approaches, understanding their respective strengths and applications. The critical aspect of research, the literature review, was thoroughly examined in this session. Participants learned techniques for conducting a comprehensive literature search, critically analysing existing literature, and synthesizing findings to identify gaps and inform their research objectives. She explained participant's different strategies for formulating research questions that are specific, relevant, and achievable within the scope of their study. Lastly, she explained the art of framing research questions that guide the research process effectively.

The seminar concluded with an acknowledgment of the participants' enhanced understanding of research methodology. Attendees expressed appreciation for the interactive sessions and practical insights provided by the experienced facilitators.

Outcome:

- Attendees understood the basics of research methodology and different types of research designs.
- Attendees enhanced the ability to articulate a clear statement of the research problem.
- Attendees gained skill in framing research questions that guide the research process effectively.

Day 2:

Date: 05/03/2024

Resource Persons:

- **Dr. Minakshi Gurav** - Assistant Professor, Department of Zoology, D.G.Ruparel College of Arts, Science and Commerce, Mahim, Mumbai

Topics Covered:

- Selection of Research Topic and Framing of research title.
- Drafting the research proposal

The second day of the Research Workshop focused on guiding participants through the crucial initial phases of the research process: selecting a research topic, framing a research title, and drafting a research proposal. Facilitator provided guidance on selecting topics that are relevant, feasible, and contribute to existing knowledge in the field. Strategies for framing compelling research titles that encapsulate the essence of the study were also discussed, emphasizing clarity, specificity, and conciseness. The speaker talked about essential components of a research proposal and provided participants with practical insights into drafting each section effectively. Day concluded with participants equipped with the knowledge and tools necessary to embark on their research journey with confidence.

Outcome:

- Attendees understood the criteria for selecting a research topic aligned with scholarly objectives.
- Attendees understood how to frame a research title that effectively communicates the focus and significance of the study.

Day 3:

Date: 06/03/2024

Resource Persons:

- **Dr. Lalita Mutreja** - Principal, Sahyadri Shikshan Seva Mandal's (SSSM) Arts and Commerce College, Naigaon, Mumbai.

Topics Covered:

- Framing of Research Objectives and Hypothesis
- Importance of Research design

The third day of the Research Workshop focused on giving comprehensive understanding of the critical components of research planning: framing research objectives, hypotheses, and understanding the importance of research design. Participants were introduced to the process of articulating clear and concise research objectives that delineate the purpose and scope of the study. Facilitators emphasized the importance of aligning research objectives with the overarching research question and ensuring measurability and achievability. Additionally, participants learned the significance of formulating testable hypotheses that provide a framework for hypothesis testing and contribute to the advancement of knowledge in the field. Facilitators elucidated various research designs, including experimental, correlation, descriptive, and mixed methods approaches, highlighting their respective strengths and limitations.

Outcome:

- Attendees understood the process of framing clear and concise research objectives.
- Attendees learned proficiency in formulating testable hypotheses that contribute to hypothesis testing.
- Attendees understood how to critically evaluate different research designs and their suitability for addressing specific research questions.

Day 4:

Date: 07/03/2024

Resource Persons:

- **Dr. Kuldeep Sharma** -Assistant Professor, K.B.P. Hinduja College of Commerce, Mumbai.

Topics Covered:

- Sampling, Importance, Techniques of Sampling
- Drafting a questionnaire and scaling techniques
- Parametric and Non-parametric Test used in research- Theory

During the fourth day of the Research Workshop, the discussion commenced with an overview of primary and secondary methods of data collection. The spotlight then shifted to Sampling Techniques, crucial for research to extend findings to larger populations. The resource person elaborated on various techniques like Random Sampling, Stratified Sampling, Cluster Sampling, and Convenience Sampling, emphasizing their significance and proper usage to ensure reliable and unbiased results.

Later, the importance of sampling methods was underscored, emphasizing their role in achieving generalizable results while minimizing biases. Subsequently, participants received detailed guidance on drafting questionnaires and employing scaling techniques. Various semantic approaches, including the Likert Scale and Semantic Differential Scale, were explained to aid participants in designing effective questionnaires.

Outcome:

- Attendees gain knowledge on Sampling techniques and importance of sampling in research.
- Attendees understood the ways to draft questionnaire and scaling techniques.
- Attendees gained insights into different parametric and non-parametric test.

Day 5:

Date: 08/03/2024

Resource Persons:

- **Mrs. Shobhana Nadar** -Assistant Professor, Department of Statistics, Guru Nanak Khalsa College of Arts, Science and Commerce (Autonomous), Mumbai

Topics Covered:

- Data Processing using Microsoft Excel
- Data Analysis (Parametric test) using Microsoft Excel
- Writing Interpretations

The fifth day of the workshop began with an in-depth exploration of Microsoft Excel's interface, emphasizing its role in data processing and analysis, particularly through parametric tests like t-tests and ANOVA. Assistant Professor Shobana Nadar actively involved participants in practical exercises, allowing them to apply these concepts using Excel with provided sample datasets. Throughout the session, she also elucidated strategies for cleaning raw data, including tasks such as removing duplicates, addressing missing values, and optimizing data for analytical purposes. Attendees responded positively to the lecture, praising the clarity of explanations and the hands-on learning approach. In conclusion, Assistant Professor Nadar effectively equipped participants with essential skills for proficient data management, analysis, and interpretation across diverse academic and professional settings.

Outcome:

- Participants refined their skills in data processing tasks such as data entry, cleaning, and transformation using Excel.
- Participants deepened their comprehension of parametric tests and their relevance in statistical analysis.
- Attendees developed the ability to interpret and communicate analysis results effectively in research contexts.

Day 6:

Date: 09/03/2024

Resource Persons:

- **Dr. Gayatri N.** -Assistant Professor, Department of Zoology at D.G. Ruparel College of Arts, Science and Commerce Mumbai
- Dr. Siddhivinayak Barve-Director, Kelkar Education Trust's Scientific Research Center, Mumbai.

Topics Covered:

- Drafting the thesis/project report using Microsoft word

Dr. Gayatri N delivered a lecture and hands-on training session on drafting thesis/project reports using Microsoft Word. The session provided participants with practical skills in structuring and formatting academic documents effectively. Dr. Gayatri N guided attendees through various features of Microsoft Word, including formatting options, styles, and templates tailored for thesis and project reports. Participants engaged in hands-on exercises to apply these techniques, gaining proficiency in creating professional and well-organized documents. The resource person provided practical demonstrations of using jamboards to make notes. The session received positive feedback, with attendees expressing appreciation for the clarity of instruction and the practical relevance of the training. Overall, the session successfully equipped participants with valuable competencies essential for producing high-quality thesis and project reports using Microsoft Word.

Lastly, Dr. Siddhivinayak Barve led the valedictory session, marking the conclusion of the workshop. Dr. Barve shared insights and reflections on the workshop's themes and outcomes, emphasizing the importance of continued learning and application of the acquired knowledge. Attendees had the opportunity to share their experiences and key takeaways from the workshop. Dr. Barve commended participants for their active participation and dedication throughout the workshop. The valedictory session provided a moment of celebration and reflection, acknowledging the achievements and contributions of all involved.

Outcome:

- Attendees grasped practical skills in structuring and formatting documents using Microsoft Word, including utilizing formatting options, styles, and templates tailored for thesis and project reports.
- Attendees gained proficiency in creating professional and well-organized documents through hands-on exercises and practical demonstrations.
