The Municipal Corporation arranged a pulse polio on July 27 2023. In this instance, every cadet received a polio immunisation. The venue for the event was Naupada, Thane. The event took place from 7:30am to 11:00 am . This application was run well in that sense.

The Indian government launched the "Pulse Polio" immunisation program to vaccinate all children under five years old against the polio virus to eradicate poliomyelitis or polio. The child receives a dose of three drops orally, one dose at 1.5, 2.5, and 3.5 months of age. At 1.5 years old, a booster dosage is administered. Achieving 100% coverage of the oral polio vaccine was the goal behind the launch of the Pulse Polio Initiative.

Its objectives were to prepare mop-up operations in places where the poliovirus has virtually vanished, immunise youngsters through enhanced social mobilisation, and sustain public morale. Cadets need to learn how to administer the drops to the youngsters in this situation

and how crucial it is for them at that age. The polio bottle needs to be kept in a cool location.
This application was run well in that sense.

Outcome: All children under five years old vaccinate against the polio virus to eradicate poliomyelitis.

PUNEET SAGAR EVENT GIRGAON

No. of Beneficiaries:12

The Girgaon Chowpatty Puneet Sagar Cleanliness Drive began at 7:30 a.m. on September 10, 2023, with honorary guest Shri. Girish Mahajan, Minister of Sports and Youth. It was Maj. YP Khanduri, ADG, NCC DTE, Maharashtra, who coordinated this enormous event. Captain Nilesh Dekhane, the Group Commander of the Mumbai B-GGroup, Lt COI Sameer Singh Ranawat, the Commanding Officer, ANOs, PI staff, and NCC Cadets.

The initiative is a part of the NCC's national campaign to rid beaches and seashores from plastic and other trash and raised awareness of how important it is to maintain these areas clean. The Puneet Sagar Campaign seeks to educate the local populace and the next generation about the value of clean beaches and seashores. The hardworking sweepers who are employed by the Brihanmumbai Municipal Corporation (BMC) and private contractors are presumably the only reason this seemingly pristine beach still looks so good. They tidy the area three times a day.

Every year on the morning after Ganesh Visarjan, NCC Cadets from the Maharashtra Directorate help clean the beaches at Girgaon Chowpatty and Juhu. As a component of the Puneet Sagar Abhiyaan campaign, which is centred around the motto "Swachhata Hi Seva," the NCC Cadets and staff raise public awareness of the important issue of environmental conservation and upkeep.

Outcome: Cadets learned the importance of cleaning beaches and seashores from plastic and other trash and raised awareness of how important it is to maintain these areas clean.
